

SAP FINANCE BEST PRACTICE WORKSHOP

FINANCE OPERATIONS, STRATEGY MGMT AND STRATEGIC COST MGMT.

September 30-October 1, 2010 Vienna, Austria

JOIN US IN VIENNA TO NETWORK, LEARN FROM SUCCESSFUL SAP USERS, EXCHANGE IDEAS, EXPERIENCES AND BEST PRACTICES AND, LAST BUT NOT LEAST, TO BE PART OF A TRULY INTERACTIVE AND SUSTAINABLE SAP BEST PRACTICE COMMUNITY.

Introduction to the Topics of the Workshop.

Besides the ongoing topic of Finance Transformation, the two tracks at this workshop will be titled "Finance Operations" with a focus on Financial Supply Chain Management and Closing and "Strategy Management" and "Strategic Cost Management":

The SAP Finance Best Practice Network

The workshop is an element of the SAP Finance Best Practice Network, a network for senior Finance executives – spanning nations and industries since the end of 2005.

The goal of the workshop is to **facilitate networking and allow the business leaders of SAP's large customers to exchange experiences and their use of best practices**. The network injects ideas and concepts into a cross-company network of professionals to identify best practices, disseminate information participants can learn from, test new ideas, and develop practical solutions that work in your specific company environment.
